

## Were at Auto Races.

The party of half a dozen Norwich chauffeurs who attended the Vanderbilt cup races on Long Island on Saturday returned on Sunday. They were not at a point in the course where any of the fatal accidents happened, but had a fine view of the race and enjoyed their trip greatly.

Nearly \$80,000,000 worth of South African gold was exported via Cape Town during the first six months of 1910.

## AFTER FOUR YEARS OF MISERY

Cured by Lydia E. Pinkham's Vegetable Compound

My life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though new life had been given me, and I am recommending it to all my friends.

Mrs. W. S. Ford, 2207 W. Franklin St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and to-day is more widely and successfully used than any other female remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, and nervous prostration, after all other means had failed.

If you are suffering from any of these ailments, don't give up hope until you have given Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice write to Mrs. Pinkham, Lynn, Mass., for it. She has guided thousands to health, free of charge.

## Trouble Is Amicably Adjusted

Workmen Will Return to the Chelsea Bank This Morning—Plumber Has Taken Out a Card.

After several days of uncertainty, misunderstanding and delayed work, the trouble among the workmen at the Chelsea Savings Bank building has been adjusted, and it is stated all will return to work this morning.

The trouble started last week when it was found that there was a non-union plumber and helper at work on the building. This caused the carpenters to leave first, as they refused to work with non-union workmen. Other tradesmen were approached, and by the end of the week the plumber work was finished. The bricklayers were all idle on that job. The plumber and helper continued at their job, however. It is stated that among the plumbers there are more non-union men than there are union men in town.

### FURTHER ADDITION TO ACADEMY BUILDING FUND.

Contributions Can Be of Any Amount, Whether of Three Figures or One.

The Bulletin's Free Academy building fund during the past week did not show a big increase, but starts off this week with a contribution which will perhaps appear more strongly to those who could not afford amounts running up into three figures. Surely there are many more residents of Norwich and graduates of the Academy who want to figure in the raising of the necessary fund to assist the Academy in paying for its new building and to keep it from crumbling its twisted frame, as well as its income is now needed in contributing \$50 or more for the education each year of each pupil entered there. The contributions follow:

Norwich Morning Bulletin	\$100
Charles J. and Lucius Brown	200
Henry P. Parker	200
Elmer Leather Co.	200
Dr. E. P. Randall	100
Dr. E. P. Brewer	100

### HAILE CLUB SUNDAY TEA.

New Classes Will Start Work This Week.

For the usual tea at the Haile club on Sunday afternoon the Misses Louise Kiese, Linea Rydholm, Martha Holcomb, Annie Voetman, Maria Brock and Jennie Kimball served. The attendance was very good, and a social hour was pleasantly supplemented by several musical numbers acceptably rendered. These were solos—The Rosary and Forgiven—by Miss P. M. Jackson, accompanied by Miss Margaret Murphy; piano selections by Miss Annie Buckley and Miss Myra Brock.

This week the club classes begin, starting with the singing and the dressmaking classes this evening, the millinery and the study-classes on Tuesday evening, and others on the succeeding evenings of the week.

### RETURNED TO NORWICH.

Frank Edward Johnson and His Grandmother, Mrs. L. G. Thomas, Stopping at the Wauregan.

On Saturday Frank Edward Johnson, the noted artist, who has just returned from a tour through Tunis and other points in northern Africa, and his grandmother, Mrs. L. G. Thomas, arrived here from Gloucester and are stopping at the Wauregan house. Mr. Johnson has had many unusual experiences since leaving Norwich, especially in his visit to Tunis and Tripoli, where he was mobbed by the Arabs while sketching in the streets, as previously told. He described his trip to the Gloucester people Wednesday night, an account of which appears on another page.

He now carries his left arm in a sling because of shooting himself in the palm of the hand with his revolver. He has an automatic repeating revolver, and supposing all the cartridges had been removed, he was showing it to a friend when, on discharging it, he was hit in the palm of his hand and came out alongside his middle finger. It caused a painful but not serious wound from which he is rapidly recovering. He was able to secure many fine and valuable views on his sketching trip, they being from a country where such accounts for his being attacked.

### FUNERALS.

John C. Bushnell.

Saturday morning at ten o'clock the funeral of John C. Bushnell was held from the Buckingham Memorial with many present. The services were conducted by Rev. Thomas H. Peabody, who referred to the deceased with words of praise for his life as a citizen, public official and soldier. There was a number of floral forms and the bearers were John H. Scott, Francis H. Beckwith, H. S. Stetson and Seth L. Peck, members of the Twenty-sixth regiment, in which the deceased fought. Burial was in Yantic cemetery, where the Grand Army committee service was conducted by Commander Henry Hovey and Chaplain Solon Moxley, and a short service was conducted by Rev. T. H. Peabody. Funeral Director Gager had charge of the arrangements.

George A. Uterstaedt.

The funeral of George A. Uterstaedt was held from the rooms of Undertaker Murphy at 2:30 o'clock Saturday afternoon, with relatives from Fall River, Brooklyn and Meriden in attendance. The services were conducted by Rev. Theodore Bauck, pastor of the German Lutheran church. There were many choice floral emblems. The bearers were John Watz, Henry Martineau, George N. Uterstaedt and John A. Watz. Burial was in Yantic cemetery, where a committal service was read.

Emily Serena Vallin.

Saturday afternoon at three o'clock the funeral of Emily Serena Vallin, the infant daughter of Mr. and Mrs. John P. Vallin, was held from the home of her parents, No. 259 Laurel Hill avenue, the services being conducted by Rev. Olaf Nordblad, pastor of the Swedish Lutheran church. There were many choice floral emblems. The bearers were John Watz, Henry Martineau, George N. Uterstaedt and John A. Watz. Burial was in Yantic cemetery, where a committal service was read.

Frederick C. Hennings.

Saturday's Danbury News said: Funeral services for Frederick C. Hennings were held at Wooster street in Danbury at 2 o'clock this afternoon. The services were attended by many friends of the deceased and a large delegation of the Eagles, of which Mr. Hennings was a member, was present. Rev. Henry H. Morse gave the funeral address. The ritual of the Fraternal Order of Eagles was performed at the grave. The bearers were all members of the order, Edward Keating, Matt Burke, George Burdick, George Brown, William Dunn and John Keating.

and that the plumbing shops, according to one of the master plumbers, have been run as open shops.

There was also some trouble among the employees at the state hospital last week for the same reason when the union men found that they were working with non-union employees of another trade. That trouble was adjusted in a day, however.

On Saturday the matter at the Chelsea bank was adjusted after a conference of those vitally interested. The plumber has taken out a working card which satisfies the tradesmen, and it was stated on Saturday evening by Business Agent M. J. Kelly of the Central Labor union that everything had been adjusted and that work at the bank would go along as usual today.

### VETERANS ATTEND SERVICE AT MOHEGAN.

Sermon by the Pastor, Miss Daniels, and Remarks by Commander Hovey.

About a dozen members of Sedgewick post, No. 1, G. A. R., and the president of the Woman's Relief corps, representing that organization, attended the afternoon service at Mohegan church by special invitation on Sunday, and a good sized congregation was present to enjoy the special occasion and the sermon by the pastor, Miss Daniels.

The church was decorated to express a welcome to the visiting patriotic organizations, and the Grand Army men marched in to the music of Onward, Christian Soldiers. There was a duet by New London singers, and the church choir sang "Salve." Chaplain Solon Moxley of the post offered prayer, and the sermon by Miss Daniels was upon Faith.

### CHARTER COMMISSION WILL ASK SOME QUESTIONS.

Also to Have a Conference With the Heads of the City Departments Before Holding Public Meetings.

Friday evening the charter commission met with the president, Henry A. Tirrell, and there was a discussion in several phases of the big questions with which they are wrestling. It was decided that at this week's meeting they would each bring in a number of questions which it was thought should be asked of the people and from them make up a list to be submitted to the voters. These will concern the chief features of a new charter.

At the meeting this week the mayor and heads of the departments will be asked to be in attendance with the commission in order that department matters may be discussed.

At the last meeting there was a discussion of some questions which it had been thought wise to submit to the people, while the recommendations of W. C. Newell regarding the keeping of the accounts of the various departments were also taken up. Later on it is probable that the commission will hold public meetings.

### FIRE ON UNCAS STREET.

House of A. N. Carpenter Damaged as the Result of Defective Chimney.

Saturday morning a fire was discovered in the house of A. N. Carpenter, No. 45 Uncas street. Central fire station was called by telephone, and from there the Falls company was ordered to the house. The tank of chemical was used, but the fire was not extinguished. An alarm was sent in from box 312 shortly after 10 o'clock, and the department made quick work in stopping the blaze. Quite a little water had to be used, and some of the damage was from that. The roof was up and a part of the southeast section was burned off. The cause was a defective chimney, and a fire from the same cause occurred there once before. The loss will be several hundred dollars, and is covered by insurance.

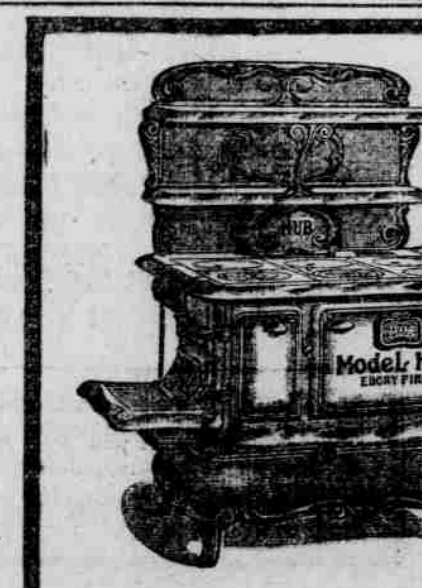

Steamer New York Burned at Norfolk, Va., Oct. 2.—The steamer New York of the New York, Philadelphia and Norfolk railroad (Penna. system) was destroyed by fire tonight.
